

Students Who Study the Arts
Perform **30%** Better
Than Those Who do Not

Students with 4 years of arts education score on average 100 points higher on SAT scores.

And young people who participate in the arts for at least 3 hours for 3 days a week for at least one full year are:

- 4 times more likely to be recognized for academic achievement
- 3 times more likely to be elected to a class office within their school
- 4 times more likely to participate in a math or science fair
- 3 times more likely to win an award for school attendance
- 4 times more likely to win an award for writing an essay or poem

So ... Make today count ! Bring *Your* Children to the Madison Museum of Fine Art. A friendly docent will greet you at the door and offer whatever assistance you need. The Museum is designed to provide sufficient time and opportunity for your family to enjoy insightful, transforming, and confidence building art history experiences. We look forward to meeting you.
